

Areas of the curriculum where you may be able to help your child this term. Thank you for your continued support. For any enquiries regarding curriculum email: [slowe@crescentschool.co.uk](mailto:slowe@crescentschool.co.uk)

<b>English</b> Ms Lowe	Share information books, looking at structural features. Explain what types of writing are used in your place of work and in your life, making writing relevant to real life. Keep reading with your child, supporting them to reach their target and help them learn their spellings for their Thursday spelling test. Accelerated Reading Home connect: (Just enter your child's Accelerated Reading Login) <a href="https://ukhosted9.renlearn.co.uk/2260515/HomeConnect/">https://ukhosted9.renlearn.co.uk/2260515/HomeConnect/</a>
<b>Mathematics</b> Ms Forth	Encourage the use of Abacus My World as well as sites such as <a href="http://www.mathszone.co.uk">www.mathszone.co.uk</a> or <a href="http://www.bbc.co.uk/education/subjects/z826n39">http://www.bbc.co.uk/education/subjects/z826n39</a> . There will be bridging revision and topics in preparation for Year 7. Share your child's book and ask them to explain mental and written strategies to you. Asking why do you think that? and how do you know? Are very important questions.
<b>Languages</b> Mme Tourigny  Mrs Barnes	<b>French:</b> Encourage your child to tell you what they have learned in French. We will be learning more complicated grammar structures. The children will prepare a short presentation on a subject of their choice, in order to encourage writing longer sentences and improving their speaking abilities. Ask them about their choice of topic for their presentation. <b>Latin:</b> Learn all vocabulary and grammar as it is introduced.
<b>Science &amp; Technology</b> Mrs Byrne  Mr Phillips	<b>Science:</b> This term we will be looking at light: what it is, how it travels, shadows and rainbows. We will also be looking and researching into how we can keep our bodies healthy. Please look together at food labels, how much you exercise, how much telly and computer games you play and how much sleep you get and discuss! <b>Computing:</b> Your child can be creative on the computer/ tablet and practice making videos, sounds and interactive activities using the websites and software used at school.
<b>Humanities</b> Mrs Yates  Mrs Stapleton  Mr Thackway	<b>History:</b> Help with research techniques through studying the Maya civilisation. Encourage them to ask questions <b>RE:</b> We will be looking at some similarities and differences between beliefs about life after death so if they come home with further questions or want to share, then please give them space to do so. <b>Geography:</b> All children will undertake an independent study project this term. For most, this will focus on a contrasting locality using experiences from the residential trip to Slapton Ley! Please encourage children to work a little on their project every night rather than leaving it to the last minute.
<b>Performing &amp; Creative Arts</b> Mrs Barnes Miss Thomson  Mrs Byrne	<b>Music:</b> When listening to music encourage your child to apply the knowledge learned in school with regard to recognising instruments, and analysing structure, dynamics, tempo and texture. <b>Speech &amp; Drama:</b> Support and encourage your child to learn their lines and cue lines for Honk Encourage your child to speak with clear diction and to use character voices when reading aloud. If you have visited the theatre, please encourage your child to talk about the performance they have seen. <b>Art:</b> Please discuss your child's experiences and feelings from their time spent at Crescent School in order to help them develop ideas for their self-books. <b>Design and Technology:</b> In D and T the children will be designing and making their own grab and go snacks and bridges.
<b>Sport</b> Mr Phillips Mrs McCollin	<b>Cricket and Rounders:</b> Your child can play striking and fielding games to practise their skills. <b>Athletics:</b> Allow your child to be active to improve their basic athletic skills. <b>Swimming:</b> Your child can practise their personal survival and life-saving skills.

<b>PSHE</b> Ms Lowe	<b>Relationships:</b> Be prepared to talk about dealing with bereavement and the stages of grief; recognising when people are trying to take control and internet safety. <b>Changing me</b> is where we discuss puberty and the development of a baby from conception to birth and dealing with the transition and worries of moving to senior school.
