Everyone needs help sometimes — Bilton community is here for you!

We are working alongside...

...along with a range of other Rugby organisations and churches.

Since the beginning

The group has come along way since March; you may have received an earlier leaflet through your door from one of our volunteers with their phone number on. Please continue to use those details, if you prefer, but we now have more ways for you to reach out for support.

What others are saying about us

Bev is brilliant! I already feel she is a good friend and close neighbour, THANK YOU BEV!!

Thank you to the volunteers who stepped in to help us. It was so very much appreciated.

I want to help

If you are able, sign up as a volunteer! Volunteering can be whatever you want it to be—whether it's picking up some milk for a neighbour or checking in with a phone call. Visit our website and click [Help Us](#) or email: info@biltonvillage.org.uk. We're especially looking for help in the Rokeby, Rugby South (Westfield Road) and Pavilions (Addison Road) areas.

Our website

Visit www.biltonvillage.org.uk to find out more about us, the zones we cover, request help or volunteer.
