

Areas of the curriculum where you may be able to help your child this term. Thank you for your continued support. For any enquiries regarding curriculum email: alanwebb@crescentschool.co.uk

English Mr Webb	Encourage your child to read every day, focusing on pace and expression, as well as continuing to enjoy shared reading together whereby you both talk about the content. Allow your child practical and useful opportunities to write at home – don't force it. Use our reading platform and employ a variety of ways to learn weekly spellings.
Mathematics Mr Webb	Say number bonds to 10 then 20 to each other. Count and share patterns of twos, fives and tens together Take practical and real opportunities to use money, recognise shapes in the environment and weigh/measure around the home. Use Active Learn online to practice classroom objectives.
MFL Mme Tatton	Ask your child to teach you French words! Our topics this term include greetings, personal identity, colours and numbers from 1 to 12 in French. We will also learn to name some fruit in French and to express our likes and dislikes. Please encourage them to sing the French songs we learn in class.
Science Mrs McCollin	Science : Talk to your child about how we grow and change by appearance as we age. Explore differences and similarities between living things found in the garden or the park – how do they change as the seasons alter into Autumn and ultimately Winter. Investigate the variety of materials around you – how are they fit for purpose.
Computing Mrs Emery	Computing The children are studying how to use MS Word to change the appearance of writing. Let them play with the program, their typing speed is very low, so consider typing in some text for them to edit and change.
Humanities Mrs Stapleton	RE – topics are all about belonging to a faith community as well as being aware of symbols in the Christian and Jewish religions.
Mrs Monteith	History – topics include Grace Darling, the Gunpowder Plot and Remembrance Day. What can you find out about these?
Mrs McCollin	Geography – topic is 'Going to the Seaside' so talk about seashores and what can be found there.
Art Mrs Byrne	Art & Design – Colouring, cutting and sticking all help improve your child's motor skills and encourage designing, making and evaluating.
Music Mrs Barnes	Music - Listening to music and trying to name the instruments being used.
Sport Mr Phillips Mrs Emery	Play some throwing and catching games. Have a family swim. Any running activities will be useful.

Homework:

Aim to hear your child read for 5-10 minutes each evening or morning alongside using a variety of approaches to learn weekly spellings.

Use reading and maths platforms regularly especially for short sharp bursts during weekends/holidays
