

Areas of the curriculum where you may be able to help your child this term. Thank you for your continued support. For any enquiries regarding curriculum email:
 amandayates@crescentschool.co.uk sarahwebb@crescentschool.co.uk

English Mrs Webb	Take time to look at many different types of writing and poetry and what makes them different to one another, with a particular focus on historical fiction, recounts and narrative poetry. Support your child's reading and encourage quizzing, encouraging them to meet their target. Support the correct punctuation in all of their writing and encourage cursive handwriting and pride in their work in all of their homework.
Mathematics Mrs Forth Mrs Yates	Multiplication and division tables off by heart. Read and understand tables of data, information, price lists etc. Complete logic puzzles e.g. Sudoku or Kriss Kross. Help familiarise your child with a basic calculator, they do not have to have their own in school unless they want to. Try www.mathszone.co.uk or www.mathsplayground.co.uk Be aware of Abacus Mathematics Learning Platform that will be accessed from home as term goes on. Please do not show your child different methods of column calculations that we have not taught in class, especially for numbers they can do mentally.
Languages Mme Tatton Mrs Barnes	<p>French: Ask your child to teach you French words! Our topics this term include shopping for fruits and vegetables, including writing and performing a role play. We will also learn to describe our uniform, listing clothes and colours. We will not only Listen and Speak in French but also Read and Write and learn about the French language, including the concepts of genders and numbers and the rules for adjectival agreements.</p> <p>Latin: Learn all vocabulary as it is introduced. Make sure your child is prepared for vocabulary tests.</p>
Sciences Mrs Byrne Mr Phillips	<p>Science: Please encourage your child to observe and discuss the World around them including the plants and animals in their gardens and surrounding areas, how we classify them and how they may change throughout the year. Please discuss the dangers of mains electricity.</p> <p>Computing: Your child can practice programming skills using Scratch or some Python language websites. They can create digital media on presentation or video making software.</p>
Humanities Mrs Yates Mrs Stapleton Mr Thackway	<p>History: We are studying Ancient Greece this term, please share myths, texts books or visit relevant museums.</p> <p>RE: This term's key question enables pupils to learn in depth from two different religions about why their holy buildings and works of art matter to them as expressions of devotion to God and worship, and about how they practice generosity and charity.</p> <p>Geography: Be familiar with any sort of maps available, have a child's Atlas for home reference. Let them operate the Sat. Nav! This term's focus is on Mountainous environments – recall own experiences of places visited, look at family photographs of landscapes so personal opinions can be shared.</p>
Performing & Creative Arts Mrs Barnes Miss Thompson Mrs Byrne	<p>Music: Listen to a wide range of music and comment on the instruments used, the mood of the music and how it made you feel.</p> <p>Drama: Please encourage your child to practise their poems and please listen to their performance, help them improve their speech from the feedback comments that have been given in their books.</p> <p>Art & Design: Please encourage any drawing, painting and craft activities, look at famous artist's landscapes and discuss</p> <p>DT: Look at clock designs around the home and discuss preferences</p>

Class 6W & 6Y Michaelmas Term 2019

Sport Mr Phillips Mrs McCollin	Hockey: General stick skills, pushing, tackling, stopping (reverse side as well). Football: Passing and tackling, tactics, goalkeeping and shooting. Swimming: Continuing individual skills but concentrating on attack and defence tactics.
PSHE Mrs Yates Mrs Webb	Encourage your child to be a good learner, a good citizen and a good friend. Through Protective Behaviours the children will reflect on their early warning signs and create their network to support them, you can encourage them to share what they have learnt in school.

There will be no homework during the weeks commencing 02.09.19 and 04.11.19
