English	We have some exciting objectives including adventure writing from the Hodgeheg				
Mrs Yates	and creating an anthology of poems, as well as looking at persuasive writing and				
	information texts. Continue encouraging your child to read and discuss their book				
	every day. Enjoy shared reading together. Support the children by getting them				
	to quiz regularly at home. Help them to learn their weekly spellings (including high frequency spellings if				
	necessary). Encourage accurate size, orientation and formation of letters in cursive				
	handwriting.				
	Our GL Assessments and Criterion writing assessment will take place in the W/C 17 May. There will be a Star reading assessment in the second half term.				
Maths	As we revise for end of term assessments please encourage your child to work				
Mrs Yates	through activities on Abacus and other written or electronic tasks in areas they feel				
	less confident in. Children should be secure in knowing their x3 and x4 tables and				
	more able students should be able to recall the x6 and x8 table too. We shall be				
	working with mental and written methods in multiplication and division and				
	understanding that one is the inverse of the other. Get baking too! We have a unit				
	on weights and measure coming up.				
	GL Assessment will take place in W/C 17 May				
Modern Foreign	This term we are switching to Spanish! Ask your child to teach you Spanish words				
Languages	and to practise short Spanish conversations. Our topics this term include greetings,				
Mme Tatton	saying how we feel and asking others how they feel, giving our name and age and				
	counting – all in Spanish. Please encourage them to sing the Spanish songs we learn				
	in class.				
Science and Technology	Science Rocks and solis will be Computing, the children will study E-Safety, learning				
Mrs Byrne	how to stay safe and have fun online both at home and school with Kara & the Smart				
Ĩ	Crew. Ask the children how they are keeping safe online. They will be programming,				
Computing	using sequences in Scratch to make music.
