Dear Mr Thackway,

I feel so happy, we've won the war! I get to see my dad today. Me and mum are wearing our best tags, we've made dad's best food. Jam sandwich, and scones. My favourite is cake. I can't wait to play Corey Corey's with my friends, and the Conga with my dad. The air is fuzzy and warm. Got to go, take care!

# Dear diary

I have had a great day. My father came walking down the street when we were celebrating so I came up to him and hugged him. We were eating jam sandwiches. We played for the whole day. My father and my mum were talking for the whole day as well. The food was yummy, it was best food I will ever eat. It was the best day of my life and I loved it.
