

# Reception Class Round-Up

## Friday 29 April 2022

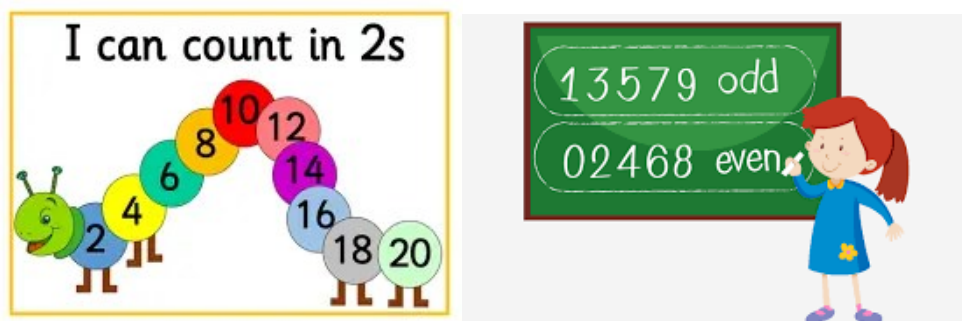

### Some of the lovely things the children have been learning...

We have started our new topic **Once Upon a Time** and started to explore traditional tales. This week we have used **The Three Little Pigs** as our focus text and have created a story map to sequence the story and described imaginary homes. We have been learning about materials and talked about which are best for building a house.

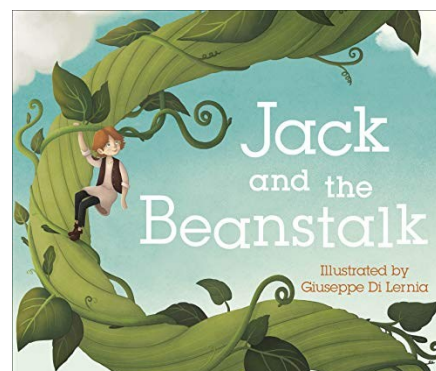

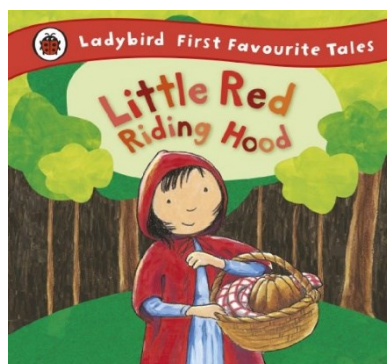

In maths, we have been learning to count in 2's and introduced odd and even numbers.

We have been thinking about being a good friend and linked this to our school promise.

### Some of the things the children will be learning in the coming weeks...

The next traditional tales we will be using as focus texts are **Little Red Riding Hood** and **Jack and the Beanstalk**. We will be considering alternative characters and endings and using simple adjectives to describe characters.

In maths we will be introducing doubling and halving.

# Reception Class Round-Up

## Friday 29 April 2022

In phonics we have been revising phase 3 sounds...

### How to help your child at home...

- Share different versions of traditional tales - ask the children to try and read a page or two and identify familiar words
- Revise odd and even numbers up to 10 and beyond
- Practise reading bigger numbers in the environment
- Talk about the materials that are used in our homes and their simple properties

### What's going on next half term/ notices/ information

- Please remember to sign reading records each evening so we know the children have read and can move on
- Please ensure children have spare underwear and socks in their school bags
- We have an exciting **Show and Tell** session coming up next month. This is a wonderful opportunity for the children to share their learning journals with you and a chance for them to share all the lovely things we've been learning through the year. Please sign up via My School Portal
