

Reception Class Round-Up

Friday 10 May 2019

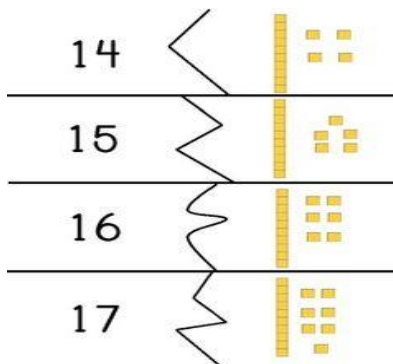

Some of the lovely things the children have been learning...

We have started our new topic 'Once Upon a Time,' and so far used "Goldilocks and The Three Bears" as our focus text. We have sequenced the story, written letters of apology and compared size. We have discussed Goldilocks' behaviour and linked this to our School Promise.

We have been looking again at teen numbers as a ten plus some more to reinforce place value. We have used a 100 square in our challenges and been learning to recognise and name bigger numbers.

Some of the things the children will be learning in the weeks to come...

The next traditional tales we will be using are "Little Red Riding Hood," and "The Three Little Pigs." We will be considering alternative characters and endings.

In maths we will be looking again at shapes. We will investigate which shapes roll.

We will be practising capital letters in handwriting.
