

Reception Class Round-Up

Friday 2 July 2021

Some of the lovely things the children have been doing...

There's been a lot of excitement in Reception during the last couple of weeks. We've planted beans, observed their growth daily and sequenced a bean life cycle. Pre-Prep sports day was exciting for us all and the children were thrilled to have 'real' spectators cheering them on.

On Wednesday we had 'Move up Morning' when the children spent time in their new classrooms with their new teachers and teaching assistants. Our teddy bears picnic has been a perfect celebration to mark the end of the year and thankfully it stayed dry! It's hard to believe where the year has gone – time flies when you're having fun!

Some of the things the children will be doing in the coming weeks...

We will be recording our performance for the Summer Concert. We've been practising songs and a dance we know you'll enjoy. We will be reflecting on our time in Reception and talking about the transition to Year 1.

In phonics we have been revising

- Regular and irregular key words
- Tricky words

How to help your child at home...

Read, read, and read some more. The children have made amazing progress this year. To keep their love of reading alive take every opportunity to read or share stories. There are lots of electronic stories available online to supplement your bookshelves at home.

Encourage the children to write a diary, Mrs Stapleton and Mrs Symons would be very impressed!

Most importantly enjoy some down time and have fun!

Thank you:

This is the final 'Round Up' this academic year - it's hard to believe where the year has gone.

Thank you for your continued support and for making this year such a special one.
