

Crescent School  
Bawnmore Road  
Bilton  
Rugby  
CV22 7QH

10 October 2019

*To pupils, families, staff and Friends of Crescent*

I wanted to get in touch to offer you a huge thank you for Friends of Crescent School's recent donation of £1,050.24 raised by pupils and their families participating in a sponsored walk at Draycote Water, as well as a non-uniform day. This will go a long way to supporting our vital work supporting children's mental health across the UK. We are immensely grateful for your belief in and support for our work. Please find enclosed a certificate as a token of our appreciation.

As you may know, Place2Be currently works with 639 schools around England, Scotland and Wales, meaning that more than 350,000 children and young people have access to our services. Our work with children has a tangible impact on their lives: it can be helpful in addressing the causes of mental health problems early, helping children to access learning and building their resilience to cope with the challenges that life presents us with. By providing support to the whole school community, including teachers and support staff, we also help to build mentally healthy schools where all children can thrive.

Elijah, age 11, told us "when I feel worried, it's like I'm in a maze and the people in Place2Be are coming with a torch and showing me the way".

It is through the generosity of people like you that we can be there to help children like Elijah and their families when they need us most.

On behalf of everybody at Place2Be, thank you so much for your support.

Yours sincerely,

**Nikki Twallin**
